

The **SOL**

This charming, traditional 2,879-square-foot luxury home provides the finest in family living. After you enter through the custom-designed cast iron front door, engage your guests around the vast expanse of the granite kitchen island that was absolutely made to entertain while cooking. The kitchen openly transitions into the enormous great room, magnificently bathed in natural light through the cupola atop the striking wood ceiling above. Carry the festivities over to the spacious outdoor living room and kitchen, while enjoying the water features offered by the walk-in pool.
