

The Gasford

Your arrival is heralded by flickering gas lanterns framing the entry and the stunning Tuscan-inspired architecture. Inside, marble floors extend out before you; custom ceilings above. Cast-stone fireplaces in the great room and on the lanai topped by oversized flat-screen TVs (up to 65 inches) create dramatic focal points. Stone arches adorn the kitchen, along with Thermador appliances and countertops of quartz, granite and marble. The walk-in pantry boasts a built-in coffee and cappuccino machine. European Oak floors warm the master and guest suites. Fire bowls and a fire pit illuminate the pool and pool deck, bringing the entire home to life.
